**Subject:** Olin Corporation Responses/USEPA Questions

Robert,

Good afternoon.

Thank you again for your patience in allowing Olin to submit its responses to USEPA's questions regarding our use and handling of asbestos today. We sincerely appreciate your courtesy.

Attached please find our responses, together with two responsive attachments. Please note that all of these documents contain Olin Business Confidential Information, and are marked accordingly. We respectfully request that the Agency treat these responses and documents as confidential.

Our team – John McIntosh, John Sampson, Rick Hall, Bert Fleck and I, together with Mike Walls of ACC – looks forward to meeting with you in your offices this Thursday, September 14. It was a pleasure to have had the opportunity to host you at our Plaquemine, LA facility back in the Spring. We appreciate your willingness to meet with us again and we look forward to talking with your team.

Please let us know if there is anything else you need from Olin prior to our meeting. See you Thursday.

Many thanks.

Lisa
